This modern townhome in the heart of Old Trail boasts a plethora of upgrades. With low-maintenance laminate hardwood flooring, the main level features an open design, providing a great flow that enhances the spaciousness of the living room. The gourmet kitchen is a chefs dream, with stained maple cabinets, quartz counters, and a generously sized island with seating. High-end stainless appliances elevate the cooking experience. A stunning tile backsplash, installed in 2023, serves as a designer focal point, adding a touch of sophistication to this already elegant space. Adjacent to the kitchen is a light-filled dining room area, spacious enough to host holiday gatherings and perfect for everyday dining. Upstairs, the owner's suite with vaulted ceiling and windows offers a haven of comfort. A large walk-in closet provides ample storage, while the private bathroom exudes luxury with dual vanities and a frameless glass walk-in shower. Two additional bedrooms, a full bath, and a conveniently located laundry room complete the upper level. The ground floor of this townhome boasts a fourth bedroom, which could serve as a guest room or a home office and features a full bath. Dine outdoors on the composite deck with mountain views and sunshade.
